What we can contribute

EUROPEAN YEAR OF RAIL 2021

- **Foster** the exchange of information about rail transport,
- **Support and initiate** international project initiatives for the benefit of rail transport,
- **Convey** common positions towards relevant rail policies,
- **Get involved in constructive dialogue** with all parties concerned.

Thank you for your attention!

Guido Beermann

Minister of Infrastructure and Federal State
Planning of Land Brandenburg

Chairperson of the Scandria® Alliance
General Assembly
